

# XD-90L

## LGR DEHUMIDIFIER

The XPOWER XD-90L Low Grain Refrigerant (LGR) Dehumidifier is an upgraded version of the XD-85L2, now using eco-friendly R32 refrigerant. It features a round exhaust port compatible with lay-flat ducting, a built-in cord storage compartment, and Velcro straps for the water line. This compact unit removes up to 85 PPD @ AHAM (80°F, 60% RH) and stacks up to 3 units high to save space. It includes a fold-down handle, wheels for easy transport, and dual molded handles. The electronic display tracks temperature, humidity, and run time, while the high-performance auto-purge pump clears water through a 40' hose. Weighing 71.2 lbs, its rugged roto-molded housing is built for tough jobs and tight spaces.

### Commonly used in drying applications, but not limited to:

- Water Damage Restoration
- Carpet Cleaning / Hotel Hospitality
- Construction / Plumbing
- Crawl Space / Attics
- Basements / Cellars
