## **COMMERCIAL LGR DEHUMIDIFIER**

### **SUPERIOR PERFORMANCE, PORTABLE DESIGN**

Achieve maximum humidity control in an ultra-space saving design with the **XPOWER Commercial LGR Dehumidifier Series**. XPOWER LGR Dehumidifiers feature a patented Dual Intake System which boosts efficiency and performance in a wide range of operating conditions. Designed to maximize storage space, these compact units stack up to 3 high and features 2 molded handle grip points on the front and back. For added mobility, a separate model including wheels and handle is also available. A user friendly digital display screen gives a reading on current humidity, and desired humidity level may be programmed.

Developed to excel in even the toughest water damage restoration environments, the professional grade LGR series extract more moisture than much larger commercial models.
