

VERTICAL ADVERTISEMENT BLOWERS

ETL/CETL SAFETY CERTIFICATION

XPOWER Vertical Advertisement Blowers feature powerful motors that easily inflate. While the basic BR-450 will suit most needs, the BR-460 is the only blower available on the market with ETL/CETL safety certification. The BR-450L and BR460L models come equipped with LED lights to illuminate your dancer. Series offer the same capabilities in a compact 12" size.

XPOWER blowers offer a safety stick to stabilize the inflatable, preventing it from falling to the ground, along with pull strap for easy mobility.

- Energy efficient 1/7 HP motor draws only .92 Amps
- Remote included
- Wide array of colors and transitions
