

X-39AR

PROFESSIONAL AXIAL FAN

The XPOWER X-39AR Axial Fan is a powerhouse that offers maximum CFM output while efficiently drawing less than 2 Amps at its highest speed. A specially designed fan grille excels in extending a powerful and focused straight stream of air up to 60 ft.

This axial fan features a sealed motor to protect it from contaminants and water damage. The added variable speed control offers a full range of air speed and air volume. The included rack/stand provides 360-degree rotation for multiple positions when drying surfaces or circulating air. A super lightweight yet durable ABS injection molded housing allows this unit to be easily transportable and stackable up to 5 units. Equipped with a daisy chainable built-in power outlet and ETL/CETL safety certification, the X-39AR is the ultimate compact axial fan.

- 1/4 HP SEALED motor
- Low 1.6 Amps draw
- Unique Swirl Grill Design and 5 Fan Blades
- 360-Degree Rotation for Multiple Drying Positions
- Variable Speed Control and durable ABS housing
- Built-In Power Outlets for Daisy Chain

SPECIFICATIONS

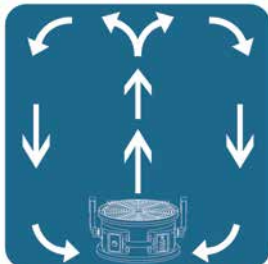

AIRFLOW DIAGRAMS

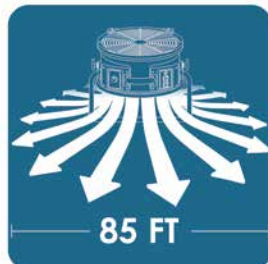

External roto-motor and front grill design creates focused air flow that travels up to 170ft

Bounce the air off of walls in smaller rooms so air reaches every corner

Constantly recirculates air to create a gentle and consistent stream of air flow to shorten drying time

Point it downward to dry area around the fan up to 85 ft in diameter

MODEL NO.	X-39AR
VOLTZ/HERTZ	115V / 60 Hz
MOTOR	1/4 HP
POWER	1.6 Amps
RATED AIRFLOW	2100 CFM
SPEEDS	Variable Speed
CORD LENGTH	20 Ft.
OPERATING POSITION	4 Units
UNIT WEIGHT	16.5 Lbs.
UNIT DIMENSIONS (LxWxH)	18.6 x 19.2 x 9.4 in.
HOUSING	ABS
SAFETY CERTIFICATIONS	ETL / CETL
DUAL THERMAL PROTECTION	Yes
PALLET QUANTITY	42 Units

Features

360° Rotation

Adjustable Rack

Built in Power Outlet

Stackable

Product Features

Auxiliary Outlet with Circuit Breaker for Daisy Chain

Induction Motor that Produces Efficient, Powerful & Quiet Airflow

Specially Designed Air Fin Guide for More Focused & Extended Airflow Range Up to 170 ft.

Variable Speed Control Switch

Durable ABS or ABS+PC Housing Design

Quick Release Knob for Easy Angle Adjustment

Wrap Around Cord Design

Rack / Stand Allowing 360° Angle Rotation
