

FOGGER SERIES

ULV COLD FOGGER

XPOWER's family of ULV (ultra-low volume) cold foggers offers you ultimate performance with a multitude of size and capacity to meet your sanitizing needs. Featuring a light and compact design, this unit is ideal for full coverage for office, restaurants/food services, schools, hospitals, senior centers, pet boarding, greenhouse, and commercial properties. The reservoir incorporates an easy fill/tight cap and a reservoir level window to monitor your liquid levels. Applying disinfectants, sanitizers, and other solutions have never been easier than using the XPOWER line of ULV cold foggers. With its powerful spray distance and ultra-small droplet size, XPOWER family of ULV Foggers is the industry leading choice for all your fogging needs.
