

A-2S CYBER DUSTER

MULTIPURPOSE ELECTRIC DUSTER & BLOWER

The XPOWER A-2S Cyber Duster is a new generation Multipurpose Powered Air Duster, Blower that packs a great deal of power in a lightweight, compact package. This version is not only quieter at low speed setting, but also offers an improvement in security on nozzle attachments. Unleashing over 500 watts of power, the XPOWER A-2S CyberDuster is designed for frequent and heavy-duty use in corporate, IT, and home environments. This tool not only replaces canned air dusters, it also provides you the versatility to dust, pump air, and dry with 2 unique secure, screw-on nozzles and 1 push-in brush attachment. Powered by electricity, the ecofriendly A-2S Cyber Duster eliminates dangerous fluorocarbons and other deadly propellants produced by compressed gas dusters, as well as saves you money on canned air over its lifetime.
